

STUDENT CODE OF CONDUCT AND RESPONSIBILITIES

The Renaissance Charter High School for Innovation seeks to cultivate a sense of mutual respect among students, parents and staff. With the cooperation of all members of our school community, students can reach educational excellence while enjoying a rich learning experience. This document serves as a guide for students as they strive to become college and career ready graduates. Responsible behavior by each student is the only way in which an effective learning experience can be preserved. Violation of some of these responsibilities may lead, in accordance with the Discipline Code, to disciplinary measures. Full acceptance of responsibility with the exercise of rights will provide students with greater opportunity to serve themselves and society.

10. Behave in a polite, truthful and cooperative manner toward students and school staff;
11. Promote good human relations and build bridges of understanding among the members of the school community;
12. Use non-confrontational methods to resolve conflicts;

DISCIPLINE MEASURES

Short-Term Removal and Suspensions (5 days or less)

All suspensions and removals from the classroom must be done substantively and procedurally in accordance with relevant school policies and procedures, State Education Law and Federal laws. The SST or other designee of the Principal may impose suspensions of less than six days for students committing discretionary infractions (Level 1-4 infractions).

A student (or his/her parent/guardian) who receives a short-term suspension (5 days or less) may request an informal conference with a member of the SST or SMT at which the student has the opportunity to present evidence and witnesses on his/her behalf and to question the school's decision to suspend him/her.

Due Process Procedures, Safeguards, and Appeals

The parent of a student who is considered for a suspension of five days or less shall receive, at the last known address, **written notification of the proposed suspension within 24 hours of the suspension's proposal.** To ensure receipt by the parent, delivery must be made by overnight courier or personally by an authorized representative of the school. If possible, a member of the Student Support Team or his or her designee will telephone the parent to communicate the content of the notice letter after it is sent. Innovation's Student Support Team will make reasonable and diligent efforts to notify the parents by telephone as soon as is reasonably possible, when a student is recommended for suspension. **Oral notification may only be used to supplement, not substitute, the requisite written notice.**

The written notice shall:

1. Describe the basis for the suspension;
2. Advise the parent of **the right to request an informal conference** with a member of the Student Support Team to discuss the incident giving rise to the discipline;
3. And inform the parent of his/her right to question witnesses against the student.

The notice and opportunity for an informal conference shall take place before the student is suspended unless the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process. If the student's presence does pose such a danger or threat of disruption, the notice and opportunity for an informal conference shall take place as soon after the suspension as is reasonably practicable.

The parent/student may not bring an attorney to the informal conference. At the conference, the parents shall be permitted to ask questions of complaining witnesses under such procedures as the Principal may establish. If the parent chooses to ask questions of the complaining witness(es), the parent must advise the school two days in advance of the conference date so that the school can make the witness(es) available; provided, however, that if the conference is scheduled less than two days from the date of the incident or conduct suspension for which suspension is proposed, the parent must advise the school of the desire to question the complaining witness(es) as soon as practicable and in advance of the conference. If the student's parent intends to question a complaining witness who is a minor student, prior to the hearing day Innovation shall notify the parent of the complaining witness that his or her child may be questioned by the parent of the accused child at the informal conference.

After the conference, the Student Support Team shall advise the parents in writing of his or her **right to an appeal of the decision of the Student Support Team**. The appeal must be made to the Principal. All appeals to the Principal must be in writing and submitted to him or her within 10 calendar days of the date of the decision by the Student Support Team, unless the parents can show that extraordinary circumstances precluded them from doing so. The Principal will make his or her decision based solely upon the record before him or her.

After the conference, the Principal shall advise the parents in writing of his or her **right to an appeal of the decision of the Principal**. An appeal of the decision of the Principal may be made to the Board of Trustees, in writing to the Board President or Secretary, within 10 calendar days of the Principal's decision, unless the parents can show that extraordinary circumstances precluded them from doing so. The Board may adopt in whole or in part the decision of the Principal. **Final decisions of the Board may be appealed to the New York State Commissioner of Education within 30 calendar days of the decision.**

Extended Removals and Suspensions (6-10 days)

All extended suspensions and removals from the school must be done substantively and procedurally in accordance with relevant school policies and procedures, State Education Law and Federal Laws. The SST or other designee of the Principal may impose extended suspensions for a variety of reason but usually for students who repeatedly commit discretionary infractions (Level 1-4 infractions).

A student (or his/her parent/guardian) who receives an extended suspension (6-10 days) is entitled to a formal hearing at which the student has the opportunity to present evidence and witnesses on his/her behalf and to question the school's decision to suspend him/her.

Due Process Procedures, Safeguards, and Appeals

The parent of a student who is considered for a suspension greater than five days shall receive, at the last known address, **written notification of the proposed suspension within 24 hours of the suspension's proposal**. To ensure receipt by the parent, delivery must be made by overnight courier or personally by an authorized representative of the school. If possible, a member of the Student Support Team or his or her designee will telephone the parent to communicate the content of the notice letter after it is sent. Innovation's Student Support Team will make reasonable and diligent efforts to notify parents by telephone as soon as is reasonably possible, when their student is recommended for suspension. **Oral notification may only be used to supplement, not substitute, the requisite written notice.**

The written notice, pursuant to N.Y. Education Law §3214(c) shall:

1. Describe the basis for the suspension;
2. Advise the parent of **the right to request a formal hearing** before a member of the Student Support Team to discuss the incident giving rise to the discipline;
3. Inform the student and his/her parent of his/her **right to counsel** and indicate the student's **right to question witnesses against the student at the hearing;**

The notice and formal hearing shall take place before the student is suspended unless the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process. If the student's presence does pose such a danger or threat of

disruption, the notice and formal hearing shall take place as soon after the suspension as is reasonably practicable.

The parent/student may bring an attorney to the formal hearing. At the hearing, the student, parents, or their attorney shall be permitted to ask questions of complaining witnesses under such procedures as the Principal may establish. If the parent chooses to ask questions of the complaining witness(es), the parent must advise the school two days in advance of the hearing date so that the school can make the witness(es) available; provided, however, that if the hearing is scheduled less than two days from the date of the incident or conduct for which suspension is proposed, the parent must advise the school of the desire to question the complaining witnesses as soon as practicable and in advance of the hearing. If the student's parent or attorney intends to question a complaining witness who is a minor student, prior to the hearing day the student's attorney shall notify the parent of the complaining witness that his or her child may be questioned by the parent of the accused child at the formal hearing.

A member of the Student Support Team shall hear and determine the proceedings or may, in his/her discretion, designate a hearing officer to conduct the hearing. The hearing officer shall be authorized to administer oaths and issue subpoenas in conjunction with the proceedings before him/her. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and recommendations as to the appropriate measure of discipline to the Student Support Team. The report of the hearing officer shall be advisory only, and the Student Support Team may accept all or any part thereof.

After the hearing, the representative of the Student Support Team shall advise the parents in writing of his or her decision and the **right to an appeal of the decision of the Student Support Team**. The appeal must be made to the Principal. All appeals to the Principal must be in writing and submitted to him or her within 10 calendar days of the date of the decision by the Student Support Team, unless the parents can show that extraordinary circumstances precluded them from doing so. The Principal will make his or her decision based solely upon the record before him or her. The Principal may adopt, in whole or in part, the decision of the hearing officer.

After the decision is made, the Principal shall advise the parents in writing of his or her decision and their **right to an appeal of the decision of the Principal**. An appeal of the decision of the Principal may be made to the Board of Trustees, in writing to the Board President or Secretary, within 10 calendar days of the Principal's decision, unless the parents can show that extraordinary circumstances precluded them from doing so. The Board may adopt in whole or in part the decision of the Principal. **Final decisions of the Board may be appealed to the New York State Commissioner of Education within 30 calendar days of the decision.**

SUMMARY OF DISCIPLINARY RESPONSES FOR DISCRETIONARY INFRACTIONS (LEVEL 1-4)

The following discipline responses must be imposed in accordance with all the procedural requirements of the school's policies and procedures governing behavior management.

<p>Removal From A Classroom by a Teacher:</p> <p>The teacher for up to 1 day may remove a student, who engages in behavior that is substantially disruptive of the education process or substantially interferes with a teacher’s authority over the classroom, from his/her classroom.</p>	<p>Removed students will be sent to an alternate location within the school where they will be provided with continued educational services including classwork and homework. The teacher must provide compensatory instruction to this student during the removal.</p> <p>After a student is removed from any classroom by any teacher three (3) times during a semester a parent conference must be scheduled if the student engages in subsequent misbehavior that would otherwise result in a removal by a teacher.</p>
<p>Suspension (5 days or less):</p> <p>The SMT and SST have the authority to suspend a student from school for 1-5 days when a student’s behavior presents a clear and present danger of physical injury to the student, other students or school personnel, or prevents the orderly operation of classes or other school activities.</p>	<p>Suspended students must be provided with alternate instruction including homework and classwork. Innovation must provide compensatory instruction to this student during the suspension.</p> <p>Students (or parents) may request an informal conference to question the suspension.</p>
<p>Extended Suspensions (6-10 days)</p> <p>The SMT and SST have the authority to suspend a student from school for 6-10 days when a student’s behavior presents a clear and present danger of physical injury to the student, other students or school personnel, or prevents the orderly operation of classes or other school activities.</p>	<p>A student who receives an extended suspension must be provided with the opportunity for a formal hearing at which the student has the opportunity to present evidence and witnesses on his/her behalf and to question the school’s witnesses. This hearing must take place before the extended suspension is executed. Innovation will provide compensatory instruction to this student during the removal.</p>

Long-Term Suspensions and Expulsion:

All long-term suspensions and expulsions from the school must be done substantively and procedurally in accordance with relevant school policies and procedures, State Education Law and Federal Laws. The SST or other designee of the Principal may impose removals or expulsions up to a year for students committing a number of discretionary infractions (Level 1-4) or a mandatory removal infraction (Level 5).

A student, who commits a Level 5 Infraction, poses a persistent threat to safety and security, or who is significantly or persistently disruptive to the learning environment, may be permanently removed from Innovation by expulsion. A student, who is recommended for an expulsion, must be provided with the opportunity for a formal hearing at which the student and his guardian has the

opportunity to present evidence and witnesses on his/her behalf and to question the school's witnesses. This hearing must take place before the long-term suspension is executed.

Due Process Procedures, Safeguards, and Appeals

The parent of a student who is considered for a suspension greater than five days or an expulsion shall receive, at the last known address, **written notification of the proposed suspension or expulsion within 24 hours of the suspension's proposal.** To ensure receipt by the parent, delivery must be made by overnight courier or personally by an authorized representative of the school. If possible, a member of the Student Support Team or his or her designee will telephone the parent to communicate the content of the notice letter after it is sent. Innovation's Student Support Team will make reasonable and diligent efforts to notify parents by telephone as soon as is reasonably possible, when their student is recommended for suspension/expulsion. **Oral notification may only be used to supplement, not substitute, the requisite written notice.**

The written notice, pursuant to N.Y. Education Law §3214(c) shall:

1. Describe the basis for the suspension or expulsion;
2. Advise the parent of **the right to request a formal hearing** before a member of the Student Support Team or an appointed hearing officer to discuss the incident giving rise to the discipline;
3. Inform the student and his/her parent of his/her **right to counsel** and indicate the student's **right to question witnesses against the student at the hearing;**

The notice and formal hearing shall take place before the student is suspended or expelled unless the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process. If the student's presence does pose such a danger or threat of disruption, the notice and formal hearing shall take place as soon after the suspension/expulsion as is reasonably practicable.

The parent/student may bring an attorney to the formal hearing. At the hearing, the student, parents, or their attorney shall be permitted to ask questions of complaining witnesses under such procedures as the Principal may establish. If the parent chooses to ask questions of the complaining witness(es), the parent must advise the school two days in advance of the hearing date so that the school can make the witness(es) available; provided, however, that if the hearing is scheduled less than two days from the date of the incident or conduct for which suspension/expulsion is proposed, the parent must advise the school of the desire to question the complaining witnesses as soon as practicable and in advance of the hearing. If the student's parent or attorney intends to question a complaining witness who is a minor student, prior to the hearing day the student's attorney shall notify the parent of the complaining witness that his or her child may be questioned by the parent of the accused child at the formal hearing.

A member of the Student Support Team shall hear and determine the proceedings or may, in his/her discretion, designate a hearing officer to conduct the hearing. The hearing officer shall be authorized to administer oaths and issue subpoenas in conjunction with the proceedings before him/her. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and recommendations as to the appropriate measure of discipline to the Student Support Team. The report of the hearing officer shall be advisory only, and the Student Support Team may accept all or

any part thereof.

After the hearing, the representative of the Student Support Team shall advise the parents in writing of his or her decision and the **right to an appeal of the decision of the Student Support Team**. The appeal must be made to the Principal. All appeals to the Principal must be in writing and submitted to him or her within 10 calendar days of the date of the decision by the Student Support Team, unless the parents can show that extraordinary circumstances precluded them from doing so. The Principal will make his or her decision based solely upon the record before him or her. The Principal may adopt, in whole or in part, the decision of the hearing officer.

After the decision is made, the Principal shall advise the parents in writing of his or her decision and their **right to an appeal of the decision of the Principal**. An appeal of the decision of the Principal may be made to the Board of Trustees, in writing to the Board President or Secretary, within 10 calendar days of the Principal's decision, unless the parents can show that extraordinary circumstances precluded them from doing so. The Board may adopt in whole or in part the decision of the Principal. **Final decisions of the Board may be appealed to the New York State Commissioner of Education within 30 calendar days of the decision.**

COMPENSATORY EDUCATION

Suspended students will be offered compensatory instruction (2 hours of direct instruction and all exams, class assignments, and homework) at a designated location for the duration of the suspension. Expelled students will be offered compensatory instruction at a designated off-site location until they are enrolled in a new school or otherwise removed from Innovation's enrollment roster. In either case, the student shall not be marked absent or denied academic instruction if he/she reports to the alternative instruction site for compensatory education services.

APPEALS

As explained above, parents and students may appeal any suspension or expulsion. All suspensions and expulsions may be appealed to the Principal or other designee of the Executive Director when the Principal is unavailable. The appeal must be delivered to the Principal or his designee in writing within 10 days of the informal conference, in the case of short-term suspensions, and within 10 days of the rendering of a decision in a formal hearing of a long-term suspension or an expulsion.

SPECIAL PROCEDURES FOR STUDENTS WITH DISABILITIES

Innovation is committed to ensuring that the rights of students with disabilities are protected in accordance with applicable federal and state law and regulations. Innovation recognizes it may become necessary from time to time to discipline students with or suspected of having disabilities for their conduct and behavior, and that such discipline may result in the suspension or removal of a student from the educational setting, or some other disciplinary measure.

In order to protect the rights of Innovation students, the following specific procedures must be taken when students with or suspected of having a disability are disciplined. Generally, a student with or suspected of having a disability may be suspended in the same manner as his or her non-disabled peers as set forth above. However, when a child is suspended for more than 10 days, or on multiple occasions that, in the aggregate, amount to more than 10 days, additional safeguards are

implemented to ensure that the child's behavior is not a product, or a "manifestation" of, his or her disability.

Specifically, when a change of placement of greater than ten days is made, a manifestation team consisting of (1) someone from the NYCDOE Committee on Special Education ("CSE") who is knowledgeable about the child and can interpret information about child behavior generally, (2) the parent, and (3) relevant members of the child's CSE IEP Team (as determined by the parent and CSE), shall convene immediately if possible, but in no event later than 10 days after the decision to change placements, to determine whether the conduct was a manifestation of the child's disability.

The parent must be given written notice prior to any meeting taking place in order to ensure that the parent has an opportunity to attend. The notice must state the purpose of the meeting, the names of the expected attendees, and indicate the parent's right to have relevant CSE members attend. The CSE will convene the manifestation team to review the child's IEP together with all relevant information within the student's file and any information provided by the parent.

If the CSE manifestation team concludes that the child's behavior resulted from his disability, the manifestation team must conduct a functional behavioral assessment ("FBA") and implement a behavioral intervention plan ("BIP") to address the behaviors giving rise to the conduct, unless an FBA or BIP was made prior to the student's violation of school rules giving rise to the suspension, in which case each should be reviewed and revised, if necessary, to address the behavior.

Moreover, the student will remain at Innovation HS (i.e., the placement from which he was removed), unless: (1) the parent and CSE representative agree to another placement as part of the newly created or revised BIP, or (2) in cases where the child carries or possesses a weapon to or at school, on school premises, or to or at a function under the jurisdiction of the State or local educational agency; knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of the State or local educational agency; or has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the State or local educational agency.
